Chase is a 3-year letterman and has established he is skillful around the 1B bag. At 6'2", he is a large target with a huge wingspan. Along with fearless play at 1B, Chase has power at the plate and hopes the experience of the last 2 years will increase his bat skills enough to keep his name on the lineup card every day. Once this occurs, Chase will help drive the Demons through the tough competition of the CPC.

Chase enjoys off-roading, and collecting baseball cards. His favorite Major League team is the Braves and his favorite player is Chipper Jones. His baseball honors include MVP 2006 and the Zack Bacon Award in 2008. He plans on attending college and continuing baseball after graduating from RJR.

Chase's parents are Kevin and Margaret Mauney.
