No Stats – First Year on Varsity

2009 is Jordan's first year at RJR. He has a long history of baseball but hasn't played in a couple of years. Jordan's size (6'2", 200+ lbs), power and natural ability allow him to immediately challenge for a starting position in the 2009 lineup. Jordan can play the corners in the infield or outfield and he may see time on the mound. Offensively, he has power in the cages, the real question is, can Jordan catch up to the pitchers he will face in 2009? If Jordan makes the necessary adjustments, he will no doubt be a factor as the Demons strive to capture the CPC title.

Jordan enjoys hanging out with his friends, and playing basketball and football. His favorite Major League team is the Atlanta Braves and Chipper Jones is his favorite player. He plans on attending college and graduating with honors after he completes his high school career.

Jordan's parents are Gerald and Lori Sykes.
He has a brother, Austin.
