Tyler, a 2-year starter for the Demons, has a motor that never stops running. His work ethic is matched by only a small few on the Demons roster or in the entire CPC. Tyler boasts a cannon for a right arm, speed, and quick hands at the plate. Taking the role as shortstop, pitcher and one of the Demon top hitters, he must keep his desire to succeed going while motivating the rest of the Demons.

Tyler's favorite Major League baseball team is the New York Yankees and his favorite player is Derek Jeter. He enjoys snowboarding, working out and listening to music. He scored a 1610 on his SATs. Tyler plans on attending college after graduating from RJR. His best high school memory was beating W Forsyth in 2008.

Tyler's parents are Brian and Brenda Carroll.
 He has a sister who plays softball for West Forsyth HS.
