No Stats – First Year on Varsity

Zach's 1st year on the Demon varsity squad will find him on the mound quite often. Zach is a crafty lefty with 4 pitches. He will need mastery of these pitches if he hopes to baffle the hitters throughout the CPC. Along with pitching, Zach plays 1B and OF. Time on the field will depend on his bat and how he handles the opposing pitchers of the CPC. Zach's pre-season status is the #2 pitcher, and if Coach Welch is right, he will be a big factor in the Demon's quest for the CPC Championship.

Zach also enjoys playing football and basketball. His favorite Major League team is the Braves and his favorite player is Chipper Jones. His best high school memory is a 14 KO, 2 hit, 7 inning game. He plans on attending college after graduating.

Zach's parents are Jon and Terri Royals.
He has a sister, Sydney.
